WHEREAS, the Miami-Dade County Animal Services Department ("ASD") has been incredibly successful over the course of the past five years in increasing the save rate for animals in its care and reducing the number of animals euthanized at its shelter; and

WHEREAS, ASD has increased the save rate for animals in its care from 51 percent in 2011 to 90 percent in 2016, which fulfills the Department's goal of becoming a "no-kill" shelter; and
